

BRITNIT SCOURERS

QUALITY ASSURED

BRITNIT SCOURERS

Quality Assured

Britnit scourers from KnitMesh provide the quality you need for the most demanding tasks.

We start with high grade raw materials and employ advanced and efficient production techniques. This is backed by years of experience supplying customers in the catering, cleaning and janitorial industries. As a result of our dedication to excellence, we are certified to the manufacturing systems quality standard BS EN ISO 9001.

Most products are available ex-stock for delivery within days. Please contact our Customer Services Department for details of prices and availability.

Pure Copper Scourers

Our high quality copper scourers are designed for long life, and provide an effective cleaning solution without scratching delicate surfaces.

Sizes: C20, C25, C30, C40 and C60.
Standard pack quantity: 100.

Galvanised Mild Steel Scourers

These heavy duty, high quality scourers are used extensively in the catering, cleaning and janitorial sectors. They are tougher than cheaper scourers, and because they are designed to last, they save your staff time - and your company money.

Sizes: W25, W30, W40, W60 and W90.
Standard pack quantity: 100.

Stainless Steel Scourers

Non-rusting materials are used throughout, for maximum effectiveness and long life.

Size: S20
Standard pack quantity: 100.

Polypropylene Scourers

Available in a range of colours, polypropylene scourers are ideal for use on more sensitive surfaces.
